## Wilderness Works Welcomes Our New Partner: Atlanta Union Mission

After a wonderful summer together at summer camps including Camp Bob we are excited to be including kids from My Sister's House in City Camp programming for 2009 and 2010.

### Other Volunteering:

#### Daytime and Evening Chaperones

Volunteers enjoy spending time with children. Accompanying on field trips, playing games outdoors, arts and crafts, etc. Volunteers bring caring hearts, talents and teachings and share these with the children.

#### Overnight Chaperones

This work requires comfort with children and thorough background checking. Chaperones sleep in same room as groups of 8 - 12 same gender children.

#### Driving

This important help requires a background check and a MVR report.

#### Tutoring / Mentoring

Perhaps our most important need involves assisting kids with homework and academic support.
